

Welcome to the New iPhone Life!

iPhone Life now has a community of over 1 million iPhone and iPad enthusiasts. We send close to 50 million emails each year, and, of course, we still publish the world's largest magazine focused exclusively on iOS.

Dedicated Email Blast

Dedicated Email Blasts are one the most effective ways to promote your product to our readers. You get to craft your own html email, and we send it out to our 100% opt-in list of subscribers who want to hear about special promotions from our vendors!

Annual Effective Reach: 20.2 Million*

Tip of the Day Newsletter

Our Tip of the Day newsletter is our most popular and fastest growing offering. Every day subscribers get emailed a tip on how to save time and get the most out of their iDevice. This newsletter averages over a 40% open rate! Sponsorships are sold by the week. Each email features a prominent ad placement at the top of the newsletter.

Annual Reach: 21.9 Million*

Weekly Newsletter

Every week we feature a roundup of the top stories from iPhoneLife.com. Each newsletter is packed with the latest Apple news, best apps, top tips, and great gear! Each email features a prominent ad placement at the top of the newsletter.

Annual Reach: 7.2 Million*

Sponsored Content

We now offer sponsored reviews on our website and in our magazine, and email newsletters. Skip the PR agencies and get a guaranteed review of your product!

In The App Store

Our digital magazine is also sold in Apple's App Store. The app debuted on newsstand as the number two top-grossing app, and now has almost 500,000 downloads.

On Zinio Newsstand

Thousands of iOS users are introduced to *iPhone Life* each month through Zinio's digital newsstand. We are consistently one of the top-selling magazines on Zinio, often outselling *Popular Science*, *Esquire*, and *National Geographic*.

Two Ads for the Price of One

Your ad appears in both the print and digital editions of *iPhone Life* magazine. That means readers click on your ads and go straight to your website or app from the digital edition. Also, now you can embed video in your digital ads.

Subscribers Love Us!

Your ad will also be seen by *iPhone Life*'s loyal print and digital subscribers:

"I see something new in every magazine. I read a lot of tech blogs, watch a lot of YouTube tech videos, and don't ever miss much. But every time the latest magazine comes, I'm always seeing something that I had yet to hear about or see."
